Western Ethics

B. Moral & non-moral actions, object of moral judgment - Motive and Intention

1. Moral & non-moral actions

Moral actions are those which are done with a moral motive and intention.

non-moral actions are those which are done without a moral motive and intention.

Motive is the reason for which an action is done. It is the inner force which moves a person to do an action.

Intention is the purpose or goal which a person has in mind when he does an action.
